VII-26. Overview of the entity’s material responsible business conduct issues. Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same, approach to adapt or mitigate the risk along-with its financial implications, as per the following format.

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
1	Climate Change	Risk	Climate change poses risks to Paras Defence, impacting operations, supply chains, and financial stability. Additionally increase in operating costs and geopolitical dynamics could necessitate costly innovation and adaptation.	We evaluated the climate change risk exposure of all our operational sites and developed a plan to mitigate the potential impacts. The Company ensures that energy-efficient equipment is installed across its manufacturing units. The maintenance team is in charge of overseeing this and considerations such as energy ratings are taken into account during the procurement process.	Negative
2	Corporate Governance	Opportunity	We have a highly experienced management team, with our promoters having over three decades of expertise in the design, development and manufacturing of a wide range of engineering products for the defence and space sectors. This extensive experience has allowed us to establish strong, long-term relationships with customers and suppliers. The company has also assembled a skilled management and execution team, including many former employees from BEL and DRDO, further strengthening its industry capabilities.	-	Positive
3	Employee Satisfaction and Wellness	Opportunity	Focusing on employee satisfaction and wellness offers significant opportunities, including enhanced productivity, innovation and operational resilience. Prioritizing employee well-being also aids in attracting and retaining top talent, reduces turnover, and strengthens the company’s reputation as a responsible employer. Additionally, wellness initiatives can lower healthcare costs, reduce absenteeism, and improve stress management, all contributing to better financial performance and sustainable growth.	-	Positive

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
4	Environment footprint – Waste and Emissions	Opportunity and Risk	Proactively managing environmental impact can lead to enhanced regulatory compliance, cost savings and improved reputation, positioning the company as a sustainability leader. This focus can also drive innovation, opening new market opportunities and future-proofing the business. However, failure to effectively manage these metrics could result in regulatory penalties, increased operational costs, reputational damage, and potential competitive disadvantages, making it crucial for us to balance these factors.	The company has a proven waste management practice in place that makes sure that proper waste removal as per the waste category defined by the MPCB and State Pollution Control Board(s) is carried out.	Positive and Negative
5	Product Design, Quality and Innovation	Opportunity	By prioritizing continuous improvement and keeping up with the latest technological advancements, businesses can develop innovative products that cater to changing customer demands. Adopting user-centric design, integrating sustainability practices and nurturing a culture of creativity and collaboration can result in a competitive edge, customer allegiance and market expansion.	-	Positive
6	Customer Satisfaction and Retention	Opportunity	Customers who are satisfied with our products and services tend to demonstrate loyalty and actively promote Paras's offerings within their networks. This positive customer behavior can drive increased sales and help build a strong brand reputation. At the same time the Company caters to a diverse global clientele. Any undesirable customer experience could lead to customer attrition or reputational damage.	-	Positive

Leadership Indicators

LI-1. Provide the processes for consultation between stakeholders and the Board on economic, environmental, and social topics or if consultation is delegated, how is feedback from such consultations provided to the Board.

The Company actively engages with stakeholders to enhance performance and create value for both the ecosystem and its operations. Engagement methods differ based on the stakeholder group. Senior management conducts regular meetings with various stakeholders. Shareholders, investors, and analyst investors are involved through Group Meetings, Annual General Meetings, and grievance channels such as the Scores Portal, email, and phone calls. While sustainability is an important topic, the main focus remains on strategy and performance. Customer feedback is collected through meetings, emails and phone calls that address customer service, complaints and new product offerings. Employee engagement is a priority, using various platforms and communication channels. This includes addressing concerns, providing feedback and evaluations, sharing updates via email, holding team meetings and organizing awareness programs. The Company aims to understand stakeholders' expectations and requirements related to Environmental, Social, and Governance (ESG) issues, thereby enhancing the value delivered to stakeholders.

LI-2. Whether stakeholder consultation is used to support the identification and management of environmental, and social topics (Yes / No). If so, provide details of instances as to how the inputs received from stakeholders on these topics were incorporated into policies and activities of the entity.

Engagement with communities primarily involves discussions where their views and opinions on CSR programs are carefully considered. The formulation of Company policies related to Corporate Social Responsibility has been the outcome of ongoing interactions with the stakeholders. The discussions with employees, HR, and team leads have also enabled the Company to implement activities like employee well-being programs, while also promoting environmental initiatives such as water, electricity and fuel conservation.

LI-3. Provide details of instances of engagement with, and actions taken to, address the concerns of vulnerable/marginalized stakeholder groups.

The Company actively involves its vulnerable/ marginalized stakeholder groups, particularly communities through the CSR initiatives and improving livelihoods for the target beneficiaries. It also prioritizes keeping stakeholders informed about new technologies, safety measures and industry developments aimed at mitigating risks. Proactive engagement yields valuable insights that inform material issues, shape business strategy and operations, and mitigate reputational risks. Committing to fostering positive relationships, the Company engages extensively with all stakeholders, including vulnerable and marginalized groups, on various issues. This is mainly done through:

- Volunteering activities to address local needs of the beneficiaries.
- CSR initiatives with regard to animal welfare, conserving water resources, and promoting health and education.
- By contributing towards environmental sustainability.
